Dear Steve,

I would like to thank you and your team for the outstanding work S.A.S. provided on our Orion Township Hall foundation waterproofing project.

Our project started with you visiting our site and creating an estimate that would provide a solution to our foundation water problems.

Your crew, led by John Faass, showed up every day on time, ready for work and stayed on-site until the project was completed.

I could not be more satisfied in our choice of contractors. I would recommend your firm confidently to anyone.

Thanks again for all of your firm's efforts.

Sincerely,
